

## RECUERDO — EXPERIENCE & REMEMBER

Recuerdo Wines offers enthusiasts the opportunity to experience premium wines that capture the best of Argentina's unique terroir, specifically within the high-altitude Uco Valley. Recuerdo means "memory" or "memento" in Spanish. As such, the Recuerdo winemaking team of Santiago Achával and Pablo Martorell passionately believe that each bottle of Recuerdo should not only represent Argentina's native terroir but also serve as a memory of each and every harvest.

## 2010 MALBEC

Synonymous with the red wine of Argentina, the 2010 Recuerdo Malbec is cultivated in the Uco Valley, which is situated on the eastern side of the Andes Mountains in Mendoza. A rich violet hue, the 2010 Malbec opens with an alluring nose of lush red fruit, ripe plums, earth, and blackberries. The palate offers spicy, savory notes, robust tannins, and an intense mouthfeel that seamlessly rounds out the finish. This wine pairs well with a variety of heavier fare and will offer a daily respite for lovers of Cabernet Sauvignon and other full-bodied red wines.
